# Gastein

Mountains full of beautiful moments!

## Ski area Gastein

### Schlossalm

The family and adventure mountain Schlossalm in Bad Hofgastein has something for everyone - whether it is action and enjoyment on the fun slope, or a race through the ski movie - on the permanent, video-recorded race route. The wide pistes and slopes provide the ultimate joys of skiing and are speedily accessible via the Schlossalmbahn: 'non-stop to the top'.

## Ski Center Angertal

### Stubnerkogel

First attempts on skis and snowboards - Especially for children and ski beginners is the Ski Center Angertal with the large exercise area exactly the right thing. Ski Center Angertal is a hub between the Schlossalm and the Stubnerkogel. The Stubnerkogel in Bad Gastein not only promises breathtaking 360° panoramic views of the surrounding mountain landscape, it also has the right offer for each and every skier. That said, the legendary 140 m long suspension bridge and scenic look-out points such as the Glocknerblick, the Talblick and the Felsenweg also guarantee non-skiers mountains of beautiful moments.

## Graukogel

### Sportgastein

Adrenaline junkies looking for challenges and deep-snow excitement will find their own corner of heaven here in the region's highest ski area (2650 m). Whether the mountainsides are covered in fresh powder or coated in firm, you will be able to leave the pistes behind and embark on your personal skiing adventure in freeride terrain. Nonetheless, the groomed slopes have a lot to offer as well. Plus, you will be able to pause whenever you wish to admire the magical mountain vistas.

## Dorfgastein-Großarl

### Skiing fun for the whole family

The Dorfgastein-Großarl ski swing provides snow-assured fun on the freshly prepared, sunny slopes. On the Fulseck (2033 m) a breathtaking view to the summits in the Hohe Tauern awaits you. Winter sports guests will be indulged with delicious regional foods and treats at the alpine restaurants.
