T +43 (0) 5256 6223

Ötztal Superskipass

One lift ticket for all Ötztal Ski Areas!

From the 2018/2019 winter season you can choose from the entire „ski slope menu“ within Ötztal. Because the Super Skipass bundles them all, comprising some of the most renowned winter sports destinations of the Alps as well as the valley's small but fine ski areas. In Sölden, the comfy Giggijoch and Gaislachkogel mountain gondolas take you quickly from the village center to almost endless ski runs. While powder skiing fans and freeriding enthusiasts get together in Obergurgl-Hochgurgl. The high altitude, absolute snow reliability and state-of-the-art lifts add to unique „Top Quality Skiing“ on the wide slopes of the rear Ötztal. Additionally, the Super Skipass also includes the family-friendly Hochoetz-Kühtai ski region at the entrance to Ötztal and the small ski areas in Niederthal, Gries and Vent. This flexible ticket promises truly independent holidays just perfect to experience wintry Ötztal in all its varied facets.

Offer valid if you purchase a skipass for 3+ days between 15.11.2018 – 28.04.2019, if at least two of the valley's ski areas are open.

oetztal.com/superskipass

- 6 Ski Areas
- 356 Slope Kilometers
- 90 Mountain Lifts

ÖTZTAL super SKIPASS

ÖTZTAL SÖLDEN OBERGURGL HOCHGURGL

NEW: Kirchenkar Gondola – Section II

10-person Mountain Gondola leading up to 2840 meters

In the 2018/2019 winter, skiers in Obergurgl-Hochgurgl can look forward to a new mountain gondola by Doppelmayr. The second section of the Kirchenkar Gondola once again brings first class technology to Ötztal. The individual design of the Kirchenkar Gondola once again brings first class technology to Ötztal. The individual design of the D-Line cabins makes the 10-person gondola a real one-of-a-kind highlight, blending perfectly into the gondola's already existing first section. What's best, winter sport fans reach a new dimension of slopes up to 2840 m in the most comfortable way – directly from the Top Mountain Crosspoint without changing.

Funmountain Obergurgl-Hochgurgl

incl. Snowpark, Funcross & Funslope

A total of 5 fun-packed activities are waiting for adventure-seeking winter sports enthusiasts in Obergurgl-Hochgurgl. The Audi quattro funslope at Festkogel gondola in Obergurgl and the Funslope Hochgurgl (accessible via Wurmkogel I or Hochgurgl II lifts) promise exciting hours for all the family. Freestyle aficionados are recommended to stop by at the Family Park next to Bruggenboden lift or the Snowpark Obergurgl. And if you're looking for speed, the Funcross course guarantees unlimited action. It is located right next to the Snowpark at Steinmann lift.

Hohe Mut Nature Park Info Point

Glacier – Climate – High Alpine Research

Experience an exhibition on natural history of a very special kind (in German and English). At 2670 m high Hohe Mut Alm, a panoramic spot overlooking the mighty glaciers of Rotmoostal and Gaisbergtal, you get to know many interesting details about life in and on the glacier, imminent climate change and decades of deeply rooted high Alpine research studies in Ötztal.

- Daily 9.00 am – 4.00 pm (Hohe Mut Alm opening hours)
- Free admission
- Ötztal Nature Park, www.naturpark-oetztal.at

IMPORTANT REGULATIONS

- Reduced skipasses (child, youth, senior, disabled, snow kid) are issued only on presentation of a valid photo ID card.
- Disabled: from a disability grade of 60% child rates apply (not valid for season ticket).
- Skipasses already purchased cannot be prolonged afterwards.
- For overlapping season times a mixed skipass rate is charged.
- Skipasses and day-tickets are not transferable to other persons. Any misuse or bypass of card reading systems results in the immediate confiscation of the skipass and will be reported to the police.
- Payment options: in cash (Euro), Bankomat card (Maestro), credit card (VISA, MasterCard).

SKI PASS SELLING POINTS

Skipass desk opening hours: daily 8.30 am – 4.00 pm. Further ski pass selling points can be found in selected hotels and sports shops in Obergurgl-Hochgurgl. Skipasses are issued only on hands-free data carriers (KeyCards). Key-Card deposit: € 3.00 per skipass. The deposit is refunded on return of the undamaged skipass at the ski pass offices or selling points.

GENERAL TERMS OF CONTRACT

- Skipasses are valid in the Obergurgl-Hochgurgl ski area and from 3+ days also in all Ötztal ski areas, plus free use of skibus and public bus for people wearing ski equipment.
- Purchasing a skipass you accept the general terms and conditions on rates and transportation as displayed on the notice boards.
- No refund of skipass in case of loss as there is no automatic photo registration at the turnstiles and therefore identification is not possible.
- Skipasses already purchased cannot be changed, transferred to other persons, prolonged or altered in terms of its validity period.
- We reserve the right to close some ski lifts or skibus due to scarce snow conditions or to withdraw the skibus shuttle services at the end of season.
- Prices are subject to change, particularly in case of special events.
- The single services included in the skipass are provided by legally independent business partners. The partners selling the ticket only act as agents for all the other business partners. Therefore, only the respective partner is liable for compensation claims and obliged to provide the single service he offers.
- Purchasing a personal skipass incl. your name, the holder of the skipass accepts the automated registration of personal data. Additionally, the skipass holder explicitly accepts that personal data is processed electronically and stored for internal control reasons, customer care and in order to prevent misuse. Stored data will be deleted as soon as not needed anymore, at the latest after expiry of the storage period determined by law.
- Purchasing a personal skipass, the holder of the skipass accepts that a personal reference photo is taken, processed electronically and stored at the selling points and slope access points for internal control reasons in order to prevent misuse of the skipass. Stored photo data will be deleted as soon as the skipass expires if no misuse was registered, at the latest after expiry of the storage period determined by law.

REFUND

Skipasses are refunded only at the official skipass office desks in case of a sports accident within the ski area, and only on presentation of a written report by the local slope rescue team of Bergbahnen Obergurgl-Hochgurgl/Obergurgl skipass office: Festkogel gondola / Hochgurgl: at all cash desks.

No refund for accompanying persons. We recommend a travel cancellation insurance for all travelers. Skipass days following the day of the accident will be refunded but not the day of the accident itself. Hourly tickets and 1-day ski passes will not be refunded. In case of a refund the rescue, service and first aid costs arising from the slope rescue will be deducted immediately according to the invoice/official certificate issued by the local slope rescue team.

- Skipasses will not be refunded or extended in case of bad weather, avalanche danger, early departure, illness, discontinued lift operation, closed ski runs or ski slopes, etc.

DAILY OPERATING HOURS (WINTER)

- 9.00 am – 4.00 pm
- Operating hours or weather-related interruption of services are subject to change without prior notice. Check information board for operating hours.

SLOPE RESCUE CARD

You can obtain a Slope Rescue Card when buying your skipass at our skipass desks. It is also possible to obtain a Slope Rescue Card if you have already bought your ski pass (but not after the accident has occurred). The term of insurance is equal to the period of validity of the skipass (it is not possible to extend it).

SLOPE RESCUE CARD € 13.00 PER PERSON

The Slope Rescue Card includes the following: Rescue service and first aid is free for injured persons within the entire secured Obergurgl-Hochgurgl Ski Area and Sölden Ski Area as well as the transport depending on the injury's gravity – either by akja sled, ski doo, rescue bubble or rescue helicopter – to the Red Cross base or the rescue helicopter. Costs arising from an Alpine rescue operation by helicopter are covered by the Slope Rescue Card subsidiarily and only in case there is no other valid, already existing rescue insurance which takes over the rescue costs for the injured person. Please note that costs arising from ambulance transports made by the Austrian Red Cross and helicopter rescues are not included and must be paid separately. Without a Slope Rescue Card the injured person must cover all costs arising from first aid, rescue operation and transport. More detailed information available at the official skipass offices.

SLOPE RESCUE COSTS (EXCLUSIVE OF RED CROSS & HELICOPTER TRANSPORT)

- Marked ski area € 170
- Marked ski area if helicopter is needed € 190
- Free skiing terrain € 220
- Service ride € 40

SAFETY ON THE SKI SLOPES

Please always pay attention to the huge panorama boards, information panels and all other signposts in the ski area. Never leave the secured skiing terrain – Alpine hazards! FIS rules apply. All slopes – except the officially certified night skiing slopes which are equipped with floodlights – are closed between 4.30 pm and 9.00 am!

Ski slopes are closed 4.30 pm – 9.00 am
No safety measures when ski slopes are closed. Great risk of injuries due to snow-grooming machines, cable winches, avalanche protection works, uncovered cables, tubes, snow making devices, etc.

Free Skiing Terrain
Besides ski routes and runs there is also free skiing terrain where a ski instructor and enough Alpine experience are required.

Snowmobiles
Watch out for snowmobiles, utility vehicles or snow grooming machines at any time!

Avalanche Hazard
This sign indicates that there is a certain risk of avalanches on the ski slope – due to its incline, location or other local circumstances.

Closed Ski Run
The ski run is closed. It is strictly forbidden to ski down such a slope!
